1. Summary

The BELIEF Digital Library (DL) Demo for promotion is an animated demo, basically designed to be run at events, illustrating the most appealing features of the BELIEF project's DL.

To let this Demo being accessible also by online users, it is provided via a link from the BELIEF Portal home page at

<http://www.beliefproject.org/>

and it is directly accessible also via a link on the right side of the toolbar of the BELIEF Digital Library interface.

The DL itself is accessible from the BELIEF Portal by clicking on the **Digital Library** menu; or directly at

<http://belief-dl.research-infrastructures.eu/>

The Demo – implemented by a Power Point file with audio – represents the real deliverable; this document has simply the role to document it.
