

D6.1 OPENAIRE SPECIFICATION AND RELEASE PLAN

OpenAIRE

Open Access Infrastructure for Research in Europe

28/02/2015

OpenAIRE2020

Open Access Infrastructure for Research in Europe towards 2020
Deliverable Code: D6.1 - Version (1.1 Final) PUBLIC

This deliverable presents the plan of design and development of the OpenAIRE infrastructure services for the next 12 months. At month 12 and 24 an update of this deliverable will be produced. Its intended use is mainly for technical partners to locate their software release duties in the wider context of the project software release, but also for the generic reader to get an overall picture and insight view of the technical activities.

H2020-EINFRA-2014-1
Topic: e-Infrastructure for Open Access
Research & Innovation action
Grant Agreement 643410

Document Description

D6.1 – OpenAIRE specification and release plan

WP6 - OpenAIRE platform operation and maintenance

WP participating organizations: CNR, ICM, CERN, ARC, UNIBI, UvA, EKT

Contractual Delivery Date: 02/2015

Actual Delivery Date: 02/2015

Nature: Report

Version: 1.1 (Final)

Disclaimer

This document contains description of the OpenAIRE2020 project findings, work and products. Certain parts of it might be under partner Intellectual Property Right (IPR) rules so, prior to using its content please contact the consortium head for approval.

In case you believe that this document harms in any way IPR held by you as a person or as a representative of an entity, please do notify us immediately.

The authors of this document have taken any available measure in order for its content to be accurate, consistent and lawful. However, neither the project consortium as a whole nor the individual partners that implicitly or explicitly participated in the creation and publication of this document hold any sort of responsibility that might occur as a result of using its content.

This publication has been produced with the assistance of the European Union. The content of this publication is the sole responsibility of the OpenAIRE2020 consortium and can in no way be taken to reflect the views of the European Union.

The European Union is established in accordance with the Treaty on European Union (Maastricht). There are currently 28 Member States of the Union. It is based on the European Communities and the member states cooperation in the fields of Common Foreign and Security Policy and Justice and Home Affairs. The five main institutions of the European Union are the European Parliament, the Council of Ministers, the European Commission, the Court of Justice and the Court of Auditors. (<http://europa.eu.int/>)

OpenAIRE2020 is a project funded by the European Union (Grant Agreement No 643410).
